National Speaker

Laurie Martin is a teacher for self-love, empowerment and inner peace. Her most popular talk, **Be Your Vibrant Potential**, helps her audiences remember their divine greatness, trust their intuition and shift to an empowered higher wisdom.

"Your workshop was great! I would love to attend another workshop. In fact, I was wondering if the next time you come up to Connecticut if you would be interested in putting together a workshop at the studio I attend." **Sharon Chapnick**

"I attended your workshop in Maryland and Connecticut. You have a way of making everyone feel as if you're speaking directly to them. Your workshops are magical. I took your messages of self-love to heart and I'm in the process of being aware of honoring myself first." **Sandi Baron**

"Everyone who attended had a great experience. Laurie, you were inspiring, energetic and your words were so impactful and powerful! Fantastic! After the workshop I heard someone on their cell phone saying, "your workshop was so EMPOWERING!" I can't wait for your next one." **Mary Ann Mancini**
